

EXTROL[®] PRO

THE ONE THAT DOES IT ALL.

Nearly seven decades after inventing the first diaphragm expansion tank, Amtrol's Extrol lineup now includes the Extrol Pro. This next generation expansion tank is engineered for modern, high-efficiency applications including hydronic, solar and radiant systems. The Extrol was The One That Started It All[™] and now the Extrol Pro is The One That Does It All[™].

**High Grade
Stainless Steel Connector**

Corrosion Proof Oxygen Barrier

**Factory pre-charged at 15
PSIG for today's high efficiency
