

mr.steam®

Steam is in MrSteam's DNA. We have over 100 years of experience in steam manufacturing, which means we know a thing or two (or hundreds) about making the highest quality steam shower products.

MrSteam is not just about the products it offers; it is about a mission we want to share with people around the world. One that reminds, empowers and enables us all to be healthy, live happy, and feel good.

STEAM SHOWER THERAPIES

HYDROTHERAPY

- Empowering the control of the flow of water and temperature to the shower with a touch of a finger

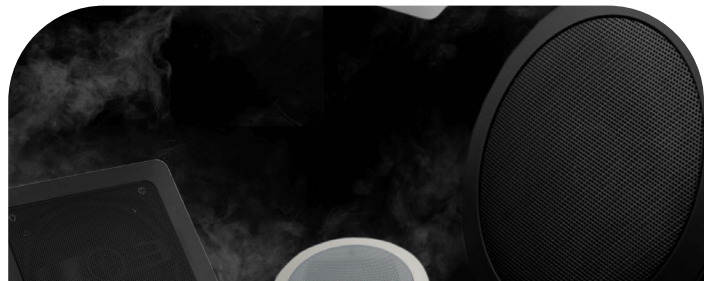

CHROMATHERAPY

- Combining color, science, and design to lighten up the steam shower experience.
- Allows you to transform the environment with a flood of pleasing light suited to your moods and preferences.

AROMATHERAPY

- Our sense of smell can immediately impact our moods.
- Invigorates, relaxes or inspires feelings of well-being.
- Fusing steam and botanical oils or fragrances to create a powerful sensory experience.

MUSIC THERAPY

- Engaging your auditory senses to help you relax and focus on your inner-self.
- Music can serenade us, bringing up feelings of joy, happiness and contentment.
- Meditations, your favorite songs, or soothing sounds of nature emanate from a high-quality, vapor-sealed sound system.
