

Emi

A Modern Soaking Experience, Rooted in Tradition

Discover Emi – where contemporary design meets ancient ritual. Inspired by the revered Japanese Ofuro bath, Emi offers a meditative, full-body soaking experience that invites daily renewal and mindful self-care.

Sculptural yet compact, Emi is crafted to be a serene centerpiece in any bathroom—bringing together wellness, elegance, and function. Its clean lines and thoughtful proportions make it ideal for both small and spacious environments, available in three size options to suit your space.

Made in the USA

Hand-finished in Georgia and built to order with care and precision.

Crafted from SculptureStone®

An exclusive solid, non-porous material developed by MTI.

Exceptional Durability

Heat-retentive, long-lasting, and repairable for lifetime performance.

Timeless Beauty

Designed to maintain its aesthetic and structural integrity for years to come.
