A Solution for Every Space

Among MTI's many strengths is a vast product range of tubs, shower bases, counter sinks and vanity sinks offered in various materials. Combined with MTI's extensive customization capabilities, this versatility provides solutions that cover the full range of properties.

MTI Wellness

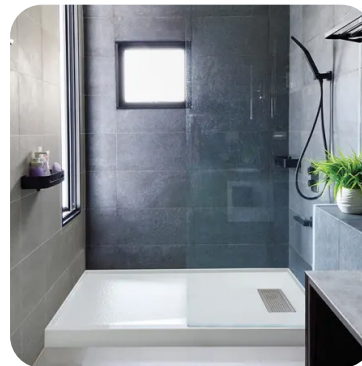

We view wellness in a holistic way. Wellness is of great interest and importance for many people today. Promoting wellness for individuals and improving the quality of lives has always been the focus of MTI from the beginning. Products must be beautiful design and therapies state-of-the-art, but all must be therapeutic in their function.
