

BOCCHI

ITALIAN BY BIRTH. TURKISH BY DESIGN.
AMERICAN BY DEMAND.

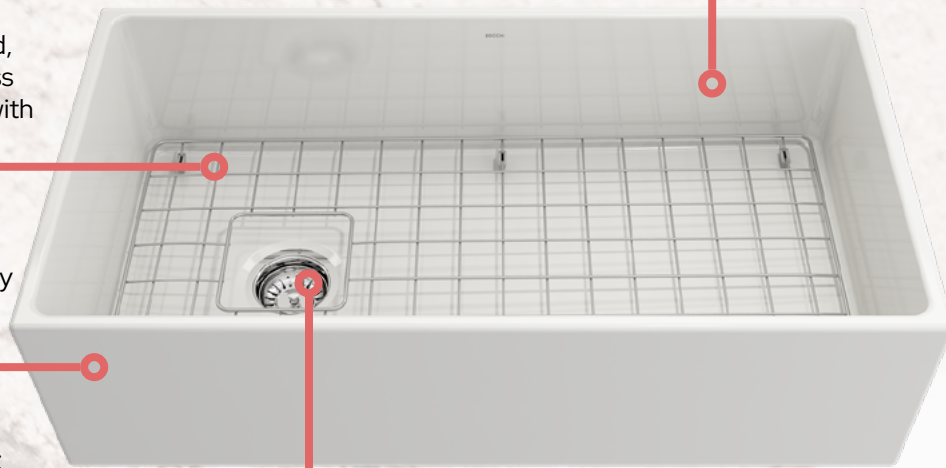

Updated farmhouse sinks for today's kitchens. Featuring a straighter, sharper edge to the apron-front, these sinks are perfect for both traditional and contemporary spaces.

BOCCHI Clean + Technology resists stains and makes dirt and bacteria easier to clean

A specially engineered, custom fitted, stainless steel grid is included with each sink

100% organic, fine fireclay with a proprietary glaze 19x's smoother than the average

Basket strainer included; standard USA drain size that is garbage disposal compatible with no need for extended flanges

AVAILABLE COLORS
