

Glenwood Springs, Colorado

tekmar®

A **WATTS** Brand

Control Options & Capabilities **Training**

Presented By

SHAMROCK
SALES

Shamrock Sales presents a full day educational experience with Eduard Schoenhalz, Tekmar's technical support specialist III. Training provides attendees with a comprehensive review of Tekmar Control Systems:

- ◇ TekmarNet communication
- ◇ Zone synchronization and indoor feedback benefits
- ◇ Integration with building management
- ◇ Heat pump control sequences and hybrid systems
- ◇ Utilizing Wi-Fi thermostats, snowmelt, and setpoint controls
- ◇ **Lunch Provided!**

Eduard Schoenhalz **Technical Support Specialists III**

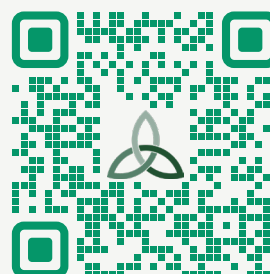

Eduard Schoenhalz has many years of experience in supporting control applications, snow melt systems and troubleshooting. Whatever the application, Eduard has seen it, done it, or solved the problem! Ed is considered an industry expert in troubleshooting equipment and systems.

Wednesday, October 23rd

9:00 A.M. - 3:00 P.M.

Morgridge Commons
815 Cooper Ave, 2nd Floor
Glenwood Springs, CO 81601
