

Join Shamrock Sales & George T. Sanders for a **Half-Day Lochinvar Training**

Shamrock Sales will co-host a half-day technical training focused on Lochinvar systems at the George T. Sanders showroom in Wheat Ridge.

This educational session will provide attendees with hands-on instruction and practical insights into Lochinvar Smart System™ Controls, including system programming and effective troubleshooting techniques.

The training will cover real-world applications and best practices to support confident installation, setup, and service of Lochinvar equipment.

Co-Hosted By

GEORGE T. SANDERS CO.
