

NEW CONSTRUCTION

LIBERTY®

Increase property values, qualify for green lending and utility rebates with Niagara.

SAVE WATER, SAVE GREEN

1.28
GPF

- ✓ Flapper
- ✓ 1.28 GPF
- ✓ MaP Score 800g

GUARANTEED RELIABILITY

High-end, low-cost products and an industry-leading 15-year warranty ensures you receive the maximum value from your investment.

LABOR-SAVING DESIGN

Save time and money with pre-assembled tank parts for quick and easy installations.

SLASH UTILITY BILLS

WaterSense® Certified 0.8 GPF means lower utility bills while increasing property values.

WORRY FREE TOILET

No flapper means no headaches, like leaking or running water.

DOES NOT CLOG

Powerful vacuum-assist flush and fully glazed trapway prevents clogging.

ULTIMATE DRAIN LINE CARRY

Exceeds IAPMO Industry Standard.
