

 NIAGARA PRO®

SERVICE PLUMBERS

SABRE®

WORK LESS. SAVE MORE.

15-year warranties, upgraded tank components, and quick installs save you time while maximizing profits.

- ✓ Stealth Technology®
- ✓ 1.1 & 1.28 GPF
- ✓ MaP Score 1,000g

PERFECT FOR REPLACEMENTS AND REMODELS

Retrofits are easy with oversized footprints to cover old tile and damage from previous fixtures.

LABOR-SAVING DESIGN

Save time and money with pre-assembled tank parts for quick and easy installations.

ALWAYS ON-HAND

Keep your truck stocked with the parts you need from our network of nationwide wholesale partners.

VIRTUALLY CLOG FREE

Powerful vacuum-assist flush and extra large fully glazed trapway prevents clogging.

CLEAN BOWL IN ONE FLUSH

Extra large water spots and a 360° rim wash ensures a clean, powerful flush, the first time, every time.
