

HOSPITALITY

SHADOW®

HIGH PERFORMANCE, BIG SAVINGS.

Reduce operating costs and utility bills with low-maintenance, easy to clean, water-efficient, no clog toilets.

CLEAN BOWL IN ONE FLUSH

Extra-large water spots and a 360° rim wash ensure a clean, powerful flush, the first time, every time.

SLASH UTILITY BILLS

WaterSense® Certified 0.8 GPF, 1.1 GPF and 1.28 GPF options mean lower utility bills while increasing property values and CAP rates.

VIRTUALLY CLOG FREE

Powerful Stealth® vacuum-assist flush and extra-large fully glazed trapway prevents clogging.

HIGH PERFORMANCE, HIGH TECHNOLOGY

Designed with ultimate power, the wide selection of products works to flush the unexpected from guests.

- ✓ Stealth Technology®
- ✓ 0.8 & 1.28 GPF
