

SHAMROCK SALES IS PROUD TO REPRESENT

Atlas Filtri

Water Filtration Systems

Shamrock Sales is now representing Atlas Filtri, a global leader in professional water filtration, serving plumbing professionals, contractors, and distributors throughout Colorado.

Atlas Filtri has been engineering innovative filtration solutions since 1975, combining Italian design excellence with cutting-edge water treatment technology. Their comprehensive product line covers everything from residential under-sink systems to large-scale commercial and industrial filtration with solutions for virtually any water quality challenge.

Together, we're bringing world-class filtration expertise, local technical support, and reliable product availability to professionals across Colorado who depend on clean, high-performance water systems every day.

WHY ATLAS FILTRI

- **50+ Years**
Engineering excellence & internationally patented designs
