Controls Integration & Applications Training

Shamrock Sales presents a full day of hands-on instruction with Tekmar trainer Scott Anderson, covering the controls and systems that keep modern hydronic and radiant installations running efficiently. This session is built for contractors, installers, and technicians who want to sharpen their skills and get more out of Tekmar's control platform. Topics include:

- ◇ TekmarNet communication
- ◇ Heat pump control sequences & hybrid systems
- ◇ Snowmelt
- ◇ Boiler controls
- ◇ Integration with building management
- ◇ **Lunch Provided!**
